Upper Waikato Catchment Committee meeting: public forum

If you've got something to say about erosion, plant and animal pests or biodiversity in the upper Waikato, or ideas for improving the health of the local environment, join our catchment committee meeting in Taupō tomorrow.

We're now starting these meetings with a 30 minute public forum, so people living in the upper Waikato can share their ideas and concerns with us.

Public forum: 9am-9.30am
 Conference Rooms
 Motorsport Park (off Road Highway)
 Taupō

The upper Waikato stretches from:

- Karapiro to the Lake Taupō Control Gates
- Kaingaroa Plateau in the east to the Pureora and Rangitoto ranges in the west.
