

Waikato Regional Council
Waipa-King Country General Constituency
Electing 2 Regional Councillors

Dan ARMSTRONG

My principal place of residence is not in the Waipa-King Country General Constituency area.

Coming from the Taumarunui area and having spent twenty years in the Waipā district, I'm eager to bring a mature voice with governance, communications and research skills I've gained

working across the Waikato.

A central focus of mine is supporting the environment and people of the region. We're already facing issues around droughts, flooding and erosion but with strong leadership, we can prepare for these events. By supporting farms and communities to become more sustainable, we can ensure a thriving environment and economy for our region going forward.

WRC does good work with its environmental management, but we can do more while making sure it's cost-effective. As your Councillor, I'll be accessible and willing to listen, so that locals have an advocate supporting their area.

This year vote for someone who will listen and act, vote Dan Armstrong.
