

Waikato Regional Council  
Taupo-Rotorua General Constituency  
Electing 1 Regional Councillor

**Alana DELICH**

Independent

My principal place of residence is in the Taupo-Rotorua General Constituency area.

I am proud to call Taupo and the Waikato region home. As a mother, ecologist and farmer's daughter, I believe I have the knowledge and passion to make a positive contribution as a

Waikato Regional Councillor.

As a mother, I want to ensure that we are thinking long-term when making decisions about our region. As an ecologist, I care deeply about our unique biodiversity, and have a sound understanding of environmental management and sustainable development. Coming from a farming family, I also have a desire to see our rural communities thrive. I strongly believe that the environment and agriculture can and must go hand-in-hand if we are to meet the challenges of a changing climate. While some stakeholder views can initially seem divergent, I believe that by listening to one another, finding common ground, and making evidence-based decisions, great things are possible for our region. I would love your vote.
