

Waikato Regional Council
Waikato General Constituency
Electing 2 Regional Councillors

Keith HOLMES

My principal place of residence is in the Waikato General Constituency area.

We are the Waikato, a unique blend of hill country, coastal foreshore, alluvial plains and swamps, created by volcanic eruptions and moulded by the mighty Waikato River. Our many assets are, our people, our farmland, our minerals, our DOC estates and our rich, diverse, history.

Guardianship of our region demands we have vision to balance the needs of Society, the Environment and to generate Wealth for all our communities and Whanau. We must never lose sight, it is Your money, not ours we are using.

I come with a long history of governance including Chair of the WRC Lower Waikato Zone. If supported by you, I will work relentlessly with councillors and staff to:

- Drive accountability
- Value authentic science
- Represent all people with equality, honesty and integrity
- Build your wealth
- Balance our Vision with affordability
- Balance bureaucracy with hard-nosed pragmatism
- Build a culture of care

Thank you for your support
