

Waikato Regional Council  
Waipa-King Country General Constituency  
Electing 2 Regional Councillors

---

**Stu KNEEBONE**

Independent

My principal place of residence is in the Waipa-King Country General Constituency area.

I have served as a Waikato Regional Councillor representing the Waipa-King Country for three terms, and have a comprehensive understanding of the diverse and important roles and

responsibilities the Council undertakes. I am passionate about the Waikato, and the opportunities it provides to those of us who call the Waikato home.

Councils policies must be affordable, innovative and add value for the community, ensuring our region is well placed to deal with things such as climate change, and the increasing demands of a vibrant and progressive community.

I am committed to a strategic and considered approach towards managing our regions natural resources. This needs to be done in a way that maximizes opportunities, yet ensures future generations can enjoy a healthy environment, clean rivers, and live a great life.

Serving the community has been a privilege and I'm motivated by the opportunity to continue. I respectfully seek your continued support.
