

Waikato Regional Council  
Ngā Hau e Whā Māori Constituency  
Electing 1 Regional Councillor

---

**Tipa MAHUTA**

My principal place of residence is in the Ngā Hau e Whā Māori Constituency area.

Mihi maioha kia koutou katoa e te iwi,  
I am standing as a Councillor in this year's election to make sure that the environmental, economic and community gains we make as WRC

are enjoyed by our whanau, Marae, Hapu and Iwi.

With your support I expect to increase engagement with our communities. Support strategies that enable whanau, their whenua and kaitiaki aspirations. Further improve knowledge and access to services, and information for our whanau and communities so that they can hold Council accountable and work constructively with them where required.

Nga Hau e Wha is the fastest growing area in our Region, with development from both Auckland in the North and Hamilton in the South. Our people need to be fully engaged in the planning for this area as it will affect our tamariki and mokopuna into the future.

Kaati ake, nga manaakitanga o te wa.

APPROVED
