

Waikato Regional Council
Hamilton General Constituency
Electing 4 Regional Councillors

Barry QUAYLE

Independent

My principal place of residence is in the Hamilton General Constituency area.

Served as a Regional Councillor since 2017. Waikato faces substantial challenges, so it is important we have effective councillors. I offer broad experience, strong commitment, and

believe in being a team player rather than pushing solo issues. As a Councillor I have led notable projects including the consolidation of systems to improve service and efficiency, and the introduction of business intelligence. This work has contributed to the A grade Council performance rating. I am a member of many Council committees including Finance, Strategy and Policy, Environment Performance and Healthy Rivers. I am also on the AgResearch Animal Ethics committee. I am not a career politician, but have broad experience in regional roles, including General Manager of Fieldays and Executive Director Regional Development Board. In my next term I hope to continue working to reduce Council cost and complexity and find practical ways to implement environmental practices while maintaining economic productivity.
